Purpose/ rationale:

The Edgewood High School Athletic Department would like to add a "Club" Varsity Male and Varsity Female bowling team to the 2023-2024 winter sports season. We have heard from a large number of interested athletes and would like to provide them with the opportunity to get involved in an activity that supports our school and interscholastic beliefs of our high school. My hope is that after this successful year, we will have this be a more structured team next year and have a hired and paid coach.

Intended Outcome:

We hope to provide additional opportunities for student athletes that may not normally be involved in a winter sport. Ultimately, this is about getting more students involved in extracurricular activities.

Persons in Charge:

We have an individual that is willing to Volunteer for the first year of the program. His name is Steve Nagy and he is a part of the Jefferson Lanes in Jefferson, Oh. My hope is that after this successful year, we will have this be a more structured team next year and have a hired and paid coach.

Costs:

\$1900 to rent the Facility for all practices and games at Jefferson Lanes. I will fundraise and submit all other team expenses to the Buckeye Athletic Boosters.

Participation:

We did a sign up/interest and we had over 35 athletes respond. Our hope is to have a Varsity and JV team for both males and females this coming winter.

Other Important Information:

1. Dates
 - a. November 3rd Official Start Date of Practice
 - b. November 17th Season begins
 - c. Feb 11-18 Sectionals
 - d. Feb 18-25 Districts
