RE: Buckeye Local Schools Monitoring and Support Services Proposal

AGM Energy Services (AGM) is pleased to offer its professional monitoring and diagnostic services to the Buckeye Local School District. This proposal for professional services is based on the below proposed scope that was generated in coordination with John Radwancky and Randy Crytzer of Buckeye Local School District. The following services will be offered through Master Maintenance Agreement Number 7590.

- All service under this agreement will be documented via a service ticket at an hourly rate of \$120.
- Remote alarm and system control monitoring by AGM Energy Services (AGM) as instructed by designated Buckeye Local Staff. AGM requests a 24-hour notice for site visits.
- Daily HVAC and Control Systems Diagnostic support for building operators and specified staff.
- All critical alarms will be sent to Buckeye Local Schools alarm center. At that time Buckeye can forward them to AGM for review and troubleshooting. AGM to document, diagnose and notify the district of any adjustments. Corrective action will be provided (if applicable) or additional measures will be recommended to the district.
- AGM Energy Services will support the following facilities under this agreement:
 - Ridgeview, Kingsville, Brayden, Edgewood High School
- District to provide a contact listing including emergency contact numbers.

Cost of Professional Services are not to exceed: \$4,000 per month

This proposal is focused around heating season which is anticipated to be between October and March. We look forward to the opportunity to be a partner with Buckeye Local School District and provide the products and services that you have come to expect.

Respectfully Submitted,

André T. Goosby
President
AGM Energy Services
